Journal
American Association of
Nurse Anesthetists
Volume XL 1972
Index of Subjects and Authors

A

Abstracts, 55, 129, 206, 299, 376, 472

Accreditation, study of, 431

Acid-base, balance, 271

Adrenergic drugs, 459

Adriani, John: Toxicity of Halogenated Anesthetics, Hypnotics and Sedatives, 95

Afghanistan, anesthesia in, 467

American Association of Nurse Anesthetists: call to convention, 217; convention program, 213; instructions to authors, IBC; officers, IFC; proposed amendments to the bylaws, 1972, 218

Analgesia, nalmexone (abstract), 473; obstetric, 108

Anesthesia, for abuser, 277; for cardiac catheterization (abstract), 130; management of pheochromocytoma, 131; obstetric, 108; vomiting (abstract), 206

Anesthetic agents, halogenated, 95; uptake, distribution and excretion of, 21

Anesthetic gases, exposure to, 347

Anion-Cation, see acid-base

Apnea, prolonged, 45

Arteriosclerotic patient, regional anesthesia, 447

Aspiration, prevention of (abstract), 210

B

Blood pressure, intra-arterial (case report), 372

Book Reviews: Acute Anesthetic Emergencies, 384; Anesthesia in Emergency Surgery, 385; Anesthesia in Otolaryngology and Ophthalmology, 133; Blood Volume and Extracellular Fluid Volume, 383; Cardio-respiratory Resuscitation, 134; Cellular Biology and Toxicity of Anesthetics, 302; Decade of Clinical Progress, 384; Duncan's Dictionary for Nurses, 385; Humidification and Mist Therapy, 385; Laboratory Tests in Common Use, 133; Legal Aspects of Anesthesia, 383; Mechanical Artificial Ventilation, 133; Paediatric Intensive Care, 134; Pain and Religion, 303; Pharmacological Topics in Anesthesia, 384; Physics Applied to Anaesthesia, 302; Pre-operative and Post-operative Ventilatory Care, 386; Prolonged Tracheal Intubation, 303

Buchen, Helen: Malignant Hyperpyrexia: A Case Report, 123

Burson, Earl R.: Methoxyflurane and Renal Dysfunction: A Review, 351

C

Calendar of Events, 70, 148, 239, 318, 401, 488

Campman, Keith L.: Succinylcholine-Induced Hyperkalemia: A Review of the Literature, 364

Cardiac catheterization, ketamine for (abstract), 130

Carey, Jean: Needles, Past, Present and Future, 104
